Róża advises clients on all aspects of intellectual property and IT law.

Her practice focuses on matters relating to European platform regulation, competition law and media law. She represents clients in disputes before German and European courts, in arbitration proceedings and in alternative dispute resolution.

She also advises on technology transactions and drafts and negotiates patent, know-how, trademark and software license agreements.

Career

Admitted to bar 2023

Humboldt University (Berlin)

Jean Moulin University (Lyon)
