Hengeler advises REpower in takeover battle

The French energy company Société des Participations du Commissariat à l'Energie Atomique (AREVA) and the Indian wind turbine manufacturer Suzlon Energy Ltd. have both made competing takeover offers for the wind turbine manufacturer REpower Systems AG based in Hamburg.

Hengeler Mueller is advising REpower. Advice is being provided by partners Maximilian Schiessl, Peter Weyland (both Corporate/M&A) and Thorsten Mäger (Competition) as well as associates Christian Bank, Thomas Lange and Harald Voigts.
