@hengeler.com

Fabian advises on the management of public law, regulatory, and criminal law risks. He assists clients in corporate transactions, regulatory proceedings, national and cross-border internal investigations, as well as criminal investigations conducted by German and European public prosecutors. Fabian represents his clients in complex litigation before German and European courts.

He supports the design and implementation of compliance programs and assists his clients in investigating particularly critical whistleblower reports.

His advisory services span a wide range of industries, including Advisory, Automotive, Banking, Consumer, Energy, Food, and Private Investment.

Career

Admitted to bar 2010
