@hengeler.com

Jens is serving as one of the firm's co-managing partners.

Jens specializes in M&A transactions. He advises both strategic and financial investors. He has a specific focus on venture capital and growth financings, the preparation and execution of exit transactions as well as transactions in the financial services sectors. Jens Wenzel is co-heading Hengeler Mueller's desks for Canada, Finland and Sweden.

His recent work includes providing legal advice on the following transactions:

- the founders and shareholders of Cognigy on its sale to Nice
- BlackFin Capital Partners on the carve-out and acquisition of DWS' investment account business
- BlackFin Capital Partners on the acquisition of INKA from HSBC
- freenet on the acquisition of mobilezone Germany
- Peter Möhrle Holding on the acquisition of a majority stake in YellowFox
- Prosus on its investment in Flink
- Corsair Capital on its investment in IDnow
- Investments in Avelios, Celonis, Clark, Mondu, Moss, N26, Scalable Capital, sennder, Taxfix, and others
