@hengeler.com

Marvin advises domestic and foreign insurance undertakings, banks and financial services institutions as well as asset managers on matters relating to regulatory law and investment law, payment services law and securities regulation.

Further, Marvin advises corporates and investors in all fields of corporate law and capital markets law with a focus on corporate restructurings as well as corporate governance, compliance and directors' liabilities issues. He also advises a wide spectrum of corporate clients as well as financial investors in M&A projects with particular expertise in the insurance and financial services sector.
