**sandra.ploetz
@hengeler.com**

Sandra specializes in public law and advises investors, companies, associations and the public sector on all public law and regulatory matters involving both national and European law.

In addition, she assists her clients in all administrative proceedings and legal disputes. Sandra also advises companies and financial investors on all public law issues in M&A projects.

Sandra's practice focuses on data protection law and compliance issues. Her practice also covers healthcare regulation, gambling law, public subsidies, and EU, administrative and constitutional law.
