Ingo specializes in M&A transactions.

He advises corporates and financial sponsors on a wide range of transaction structures, including auction processes, carve-outs, minority investments, joint ventures and co-investments. His areas of expertise also include public takeovers and other capital market transactions as well as advice on corporate law matters.

Ingo has recently advised, among others:

GHO Capital on acquisition of FotoFinder,
MFE on the public takeover offer for ProSieben,
A consortium of Allianz, BlackRock and T&D Holdings on the acquisition of Viridium Group from Cinven,
PAI Partners on the merger of Apleona with Gegenbauer and the sale of Apleona to Bain Capital,
PSG Equity on the investments in PlentyONE and Checkmk, *inter alia*,
Merz on the business combination of WindStar Medical with Merz Lifecare and the partnership with Oakley Capital,
Deutsche Bahn on the sale of Schenker to DSV,
Advent on ADIA's investment in INNIO,
EQT on the sale of a minority stake in SHL Medical to EQT Future,
PSG Equity and Verdane on TA Associates' investment into Hornetsecurity, and Hornetsecurity management on its sale to Proofpoint/Thoma Bravo,
Deutsche ReGas on various capital measures and corporate law matters,
An investment consortium of Oaktree and CURA on the public takeover of Deutsche EuroShop,
Stellantis on the reorganization of its German financing business,
Siemens on the sale of Yunex to Atlantia,
BlackFin on joint venture with DWS,
Tencent on investments in Clark, *inter alia*, and
KKR and Hensoldt on the IPO of Hensoldt.
