Janosch is an associate in our HM Legal Intelligence Center, which develops digitalization strategies and manages projects.

He advises our deal teams on the development and implementation of legal technology processes through the use of a variety of legal tech tools. His focus is on collaboration, project management and review solutions.

Further he is also an experienced project manager, who supports our deal teams in all stages of projects, creates transparent reporting tools and implements steering tools.

Career

EBS Universität für Wirtschaft und Recht (M.A. Master in Business)

EBS Universität für Wirtschaft und Recht/Case Western Reserve University School of Law (LL.B.)

* Not admitted to bar in Germany
